

**REMARKS**

Claims 1-11, 22-27, 33-43 and 54-59<sup>1</sup> are pending. Claims 16, 19-21, 48 and 51-53 were canceled.

**Entry of Rule 116 Response**

Entry of this response is requested because this response does not raise any new issues that would require further consideration and/or search. No new claims are being presented in this response. No new matter is raised by this response. Furthermore, this response places the application in condition for allowance.

If the application is not in proper form for allowance, Applicants request that the Examiner telephone the undersigned to discuss any further outstanding issues.

**Conclusion**

Insofar as the Examiner's rejections were fully addressed, the instant application is in condition for allowance. Withdrawal of the Final Rejection, formal entry of the present "Amendment After Final," and issuance of a Notice of Allowability of all pending claims is therefore earnestly solicited.

Respectfully submitted,

BENJAMIN SLOTZNICK et al.

<sup>1</sup> The Office Action Summary page does not list claims 58-59 as being pending. However, these claims are pending and are believed to be allowable because they depend from allowable independent claim 54, as stated by the Examiner on page 4 of the Office Action.
